Morning Brings a New Day

Early each morning the school awakens into a bee-hive of activity. As early as 7:15 teachers start to sign in, and special meetings get under way. The 8:30 bell calls a halt to many scattered conversations. Homeroom teachers hurriedly execute daily business. A voice over the P. A. announces coming events.

P.A. voice announces school activities

Starting off the day with a smile, homeroom girls serenade teacher with strains of "Good Morning to You"

L-Room offers comfortable surroundings where students can take time out from the rush of school activities

Concentration joins relaxation in a chess game

An informal atmosphere and comfortable furnishings make the L-Room a favorite place to relax before school, during lunch hours, or after school. A coke at the snack bar, a checker game, or a quiet conversation appeal to all who enter the ever-popular social room.

Lunch hour means time out from the busy daily routine—a time to satisfy the hunger pains and pass on the latest gossip. Everyone looks forward to such breaks—a short meeting between classes, a few minutes in the L-Room, or the noonday meal.

Auditorium rail attracts "between-class conferences"

Classes Utilize Special Methods, Arouse Interest

Classes maintain high interest by instilling a note of variety into their curricula. Field trips, an occasional movie, special reports, sound recordings, or an imaginative demonstration stimulate initiative and thought. An art class obtains practical experience in outdoor sketching and, at the same time, gets a change of atmosphere.

Every student spends a large part of a school day in the classroom, a workshop of ideas. The classroom means something different for each person—in home ec it's a kitchen; in horticulture it's a greenhouse; for technical classes it's one of the shops; and in driving it's an automobile.

Pupils' Roles Keynote Activities

Students play an important role in the many school productions. They produce, direct, and participate in such shows as the Laff Musicale and Jazz Concert; star in the many plays; and combine with the rest of the public schools in preparing and carrying out the Pageant. Everyone plays his part—backstage, on stage, or in the audience.

Board of Education Directs Our Schools' Progress

Lakewood Board of Education

At the opening of the month-long "Pride of Progress" city-wide celebration on April 17, 1955, attention of the community was focused on the \$1,200,000 Lakewood Civic Auditorium, newest building addition to the high school. The Lakewood Board of Education has given thoughtful leadership in forward-looking educational moves, resulting in a general expansion of facilities throughout the system and yielding a favorable school environment. Mrs. H. D. Abernethy, a member since 1946, is the 1955 president, succeeding Mr. Omar Ranney. Mr. Arlo G. Graber, who served from 1949-1953, was recalled to membership in February to replace Mr. Byron P. Mitchell, whose death occurred suddenly on January 15.

Board of Education members Mr. George Rich, Mrs. H. D. Abernethy, Mr. Arlo G. Graber, Mr. Omar Ranney, and

Mr. Theodore Brooks organize and develop an active, efficient program for the best interests of the school system

Martin W. Essex
Superintendent

Mr. Martin W. Essex, Superintendent of Schools since November, 1947, shows a profound knowledge and devotion to the highest educational ideals. He also gives earnest attention to worthy enterprises of religion and community. His wide-spread educational influence receives continuous endorsement and honors accorded him in both state and national organizations.

Administration Weighs Diverse School Interests

Samuel S. Dickey
Assistant Superintendent

Mr. Samuel S. Dickey manages all financial matters that affect the school policies and expenditures. He is highly regarded in school business circles and has won national distinction in this field. Active in many community groups and educational societies, he is one of the most widely known and respected men in the city.

Conferences on Future Beneficial School Programs

Mahlon A. Povenmire, Principal

A master in the art of immediate decision and action, Mr. Mahlon Povenmire wins an increasing admiration from all with whom he works. His dynamic leadership shows in his closeness to all the activities of the school. At athletic events he is the enthusiastic fan; at social events of both student and parent groups, he mingles with the crowd; in classrooms he is a frequent visitor; at numberless committee meetings, he is the directing force. His pride in the school was well-expressed in his own words at a faculty meeting: "At this national convention of principals from all over the country, I was proud to be the representative of Lakewood High School." The entire school feels the same way about him.

Thrive in Pleasant Atmosphere of Mutual Helpfulness

Robert L. Meeks Assistant Principal

Mr. Robert Meeks supervises the making of program schedules for all students and teachers. During the course of a day, he also counsels and advises many students who are troubled either by behavior maladjustments or in curricular matters. Through example, anecdote, and advice, he has straightened out the thinking of many confused youths who turn to him in their perplexities.

Lucy Helen Kimball

Miss Lucy Helen Kimball, the capable Dean of Girls, supervises the activities of the Student Council. Her daily accomplishments are manifold, her conferences with students an all-day affair. A deserved and moving tribute came to her at the Mother-Daughter Banquet in January, 1955, when she was the surprised performer in "This Is Your Life, Lucy Helen Kimball."

English 3, 4, & 5

The aim of English 3 and 4 courses is to increase the general knowledge of grammar, composition, usage, and literature. English 5 serves as a remedial measure for students who have difficulty in mastering the basic skills and fundamentals.

English 7

English 7 emphasizes the craft of writing. Using *Atlantic Monthly*, students improve language and communication skills. The completion of a term research paper gives the experience of revising original writing to gain better expression.

English 6 & 8

English 6 and 8 offer wide variety for students with diversified interests. Above and beyond the actual literature, these courses provide a chance to learn the history and philosophy of the people and the effects of literature in society.

Speech and Dramatics

Speech creates for each student a challenge to improve his speaking habits. It emphasizes building, presenting, and understanding a speech. Pupils interested in the theatre find opportunities to study its basic techniques in dramatics.

Journalism

Journalism classes, composed of aspiring, young reporters who write for the Lakewood High Times, are the backbone of the weekly newspaper. These prospective journalists learn the importance of accuracy and objectivity by experience.

Social Studies Classes Put Meaning in Democracy

Study of Constitutional liberties provides background for American history classes

World History

Students of world history acquire a better understanding of the problems and cultures of other peoples of the earth by relating the historical background with the existing situation. The areas of study range from the start of civilization to World War II.

American History

By studying the political, social, economic, and military phases of the past, American History classes build better citizens of the future. Current events publications enable the students to become well-informed concerning history in the making today.

Problems of Living

Problems of living classes are divided into two areas. Problems 1 covers the topics of personal problems, the family, and the individual as a consumer. The problems 2 program consists of studying foreign policy, city and state government, and sociology.

Vocational Counseling

A comprehensive program in vocational counseling guides students to college and/or work with a rich background of information. On Careers' Day, experts from wide-spread fields share their experiences with the students and offer valuable advice concerning vocational opportunities for young adults. College Night, the perfect supplement to Careers' Day, brings many college representatives to the school to answer the questions of youth and their parents. Job Placement, a preparatory phase of the counseling program, consists of finding suitable after-school and part-time jobs for students. This enables local companies to secure help at reduced cost and bother.

During regular class periods, pupils learn the necessary basic facts of that particular field of science in which they are studying. On laboratory days they apply their knowledge in experiments and tests and acquire skill in handling scientific equipment and materials. The science curriculum includes biology, chemistry, physics, horticulture, human physiology, and pre-flight aeronautics. Each of these courses aids in strengthening the development of scientific methods and attitudes and in arousing a healthy curiosity about the individual and his environment.

Science, Mathematics Challenge Inquisitive Minds

Mathematics

Algebra 3 and 4 strengthen the pupil in the fundamentals of algebra and train him in functional thinking by the study of formulas, equations, and graphs. Geometry 1 and 2 teach the student to prove geometrical statements through propositions and corollaries. Solid geometry involves the projection of the solid figure on the plane. These courses develop the habit of clear thinking and precise expression, as well as a degree of speed, accuracy, and persistency. Students of mathematics discover unlimited opportunities at Lakewood High to utilize their knowledge in future vocations, especially in the field of business or science.

Other courses offered by the art department include graphics, arts and crafts, and art appreciation.

Language, Art, and Music Unfold Individual Skills

Language

Lakewood High School's curriculum includes an active program of three modern languages and Latin. Through novels, films, and participation in native songs and dances, language students delve into the customs and history of the country whose language they are studying. German, French, and Spanish courses offer an opportunity to understand the principles and traditions upon which other people's societies are based. This year, students whose mother tongue is one of these languages have helped classes toward improved pronunciation. Latin provides a background for studies in many fields. High points in the fourth semester Latin classes are the translation of Julius Caesar's "Gallic Wars" and programs presented in Roman attire.

Home Economics

General home economics instructs the potential homemaker in the care of the sick and the understanding of children. Home management enriches this knowledge by covering the fields of home-care and selection of furnishings. Handicrafts trains students in the skills of weaving, knitting, embroidering, and crocheting. Foods 1, 2, and 3 involve the planning and preparation of meals, taking up the background and experimental phases of cooking. Clothing 1, 2, 3, 4, and 5 teach the beginning seamstress how to choose patterns and fabrics, while the advanced student improves her sewing techniques and learns the construction and operation of a sewing machine. These courses prepare a girl either for a career or an avocation after graduation.

Boys' Technical Classes Develop Mechanical Abilities

Students apply practical knowledge and skill in using lathes, drill presses, and other special equipment

Technical

Such courses as patternmaking, foundry, and woodworking train future captains of industry in their prospective vocations. In machine shop, students learn to use a lathe, shaper, planer, and milling machine. These skills are supplemented by a working knowledge of equipment maintenance. Printing classes take up mechanical typesetting and the history of printing. Advanced students lay out and set small commercial jobs for the school's use. In drafting, pupils get acquainted with the techniques of projection drawing, technical sketching, model building, and architectural lettering.

Driving

Driver education classes aim to produce safe and tolerant motorists who have respect for laws and courtesies of the streets and highways. Using a textbook published by the American Automobile Association, students learn the principles and rules of operating a motor vehicle. They also study the physical, mental, and emotional conditions of the driver as related to his ability and behavior behind the wheel. On "laboratory days" they get a chance to drive the dual-controlled instruction car, practicing such skills as parallel and angle parking and backing up. At the end of this course, pupils may qualify for their permanent operator's license.

Gym Class Activities Provide Healthful Diversions

Boys' Physical Education

Boys' gym classes usually begin the period with a round of calisthenics. In early fall and spring they go outdoors to play softball, football, soccer, or run the mile. During bad weather the boys run laps on the indoor track, play volleyball or basketball, swim, or climb ropes. They also have opportunities to play tennis, golf, ping-pong, speedball, and badminton. A marching class, newly organized this year, meets during fifth period. Another specialized class, tumbling, trains gymnasts in such skills as using the trampoline and working on the mats and apparatus at Lakewood.

Girls' Physical Education

Good sportsmanship and increased physical coordination are two aims of the girls' physical education department. A diversified sports program is made possible through the use of two girls' gyms, Briggs' pool, tennis courts, and outdoor fields available for girls' use. Individual skills are developed from such activities as golf, archery, tumbling, and ping pong. A new feature this year was competition for the girls' foul-shooting crown. Two other favorites, modern dance and swimming, have been taught this year by Mrs. Patricia Wilson, a new faculty member here.

Co-ed Physical Education

Co-educational gym classes add welcome enjoyment to a busy schedule. Square and ballroom dancing, along with the regular activities, play an influential role in developing social poise and physical skills. For the ballroom dancing lessons the physical education department brings in a professional instructor from Arthur Murray Studios. The co-ed sports program includes a tennis tournament. Boy and girl doubles play until the winners are determined by elimination. The tennis tournament and other co-ed sports instill in the players a sense of sportsmanship.

The student center, though only 2½ years old, has already been the scene of an exciting array of events, ranging from dances and parties to club gatherings and "see ya in the L-Room" meetings. Mrs. Bachman and the L-Room staff, made up of students, manage the center, including the snack bar. Courteous use of the piano, the record player, and the television set is free to everyone.

Office

Workers in the main office perform hundreds of daily tasks that few appreciate or realize. As coordinating center of the entire school, the office sends and receives messages, bulletins, and communications via telephone and teachers' boxes. Innumerable records and files are kept here. "I pledge myself to uphold the high purposes of the society to which I have been elected, striving in every way, by work and by deed, to make its ideals the ideals of my school and of my life." This impressive and inspiring pledge is recited each year by honor students throughout the United States. Established in 1921, the "Phi Beta Kappa" of the high school distinguishes seniors outstanding in scholarship, leadership, service, and character in the school. Members of National Honor Society at Lakewood High School traditionally polish and arrange trophies won by Lakewood students. Members are selected by Miss Edna Kleinmeyer to tutor pupils who need extra help with studies.

IN MEMORIAM

MR. BYRON MITCHELL

Lakewood School Board lost an outstanding leader when Mr. Byron Mitchell passed away. His ideals paved the way for the addition of the L-Room and auditorium to Lakewood. He will long be remembered for his foresight, enthusiasm.

An empty seat in a classroom or study hall reminds all of the friends so often taken for granted—the quiet hello which went unanswered; the steady hand which lightened another's load; the warm smile which spelled true friendship.

Light, Fast Ranger Team Rolls Through 1954 Season

Row 1—Coach DiBiasio, Koster, Mgr., Boyer, Franz, Fleming, Seielstad, Dunigan, Brunner, Metz, Vann, Reik, Coach Vejdovec • Row 2—Asbeck, Borland, Mallet, Skillman, Finau, Blaney, Fisher, Allen, Morick, Sobe, Burt, Anthony, Mgr. • Row 3—Stark, Mgr., Coach Scullion, Dutnell, Jump,

The 1954 Lakewood Rangers captured their ninth Lake Erie League title as they completed the fourth undefeated season in Lakewood's history. Led by team captain Gordon Roberts, the Rangers used speed and aggressiveness to overcome large weight disadvantages and protect their perfect record. Although the Lakewood forward wall averaged only 165 pounds, they outblocked and outran many heavier teams. Quarterback Glen Blaney was able to alternate plays often—either giving off to shifty halfback Jim Morick on an end run or a trap play, or using hard-charging fullbacks Leo Enggasser and

Bob Borland for power plays through the middle of the line. The Ranger defensive team was also an important part of the winning combination. Holding the opponents to 85 points while Lakewood piled up 286, the defensive squad proved to be the unsung heroes of the fall campaign. Much of the credit for the first undefeated Ranger team in five years must go to Head Coach Jim Scullion, Line Coach Carl Antel, and End Coach Tony DiBiasio. This fine coaching staff not only taught football well, but also helped to supply the enthusiasm which has brought Lakewood another championship football team.

Undefeated and Captures Lake Erie League Crown

The Rangers, their perfect record marred only by a tie with Lorain, seemed to increase their spirit and determination as the season progressed. Underdogs in their first league game with Parma, the Rangers held the Redmen scoreless as they chalked up a 25-0 win. The Rangers suffered the only blemish on their perfect record as a result of a 6-6 tie with Lorain in a soggy contest at Lorain. Fullback Leo Enggasser received a shoulder injury in this game which ended the season for him and made Lakewood's chances appear slim. However, the following week, Bob Borland, replacing Enggasser, scored both touchdowns in a 12-6 win over Shaker. Lakewood walloped Cleveland Heights

53-19 in their next league outing as Jim Morick scored six touchdowns to set a new Ranger record. The Rangers clinched the LEL crown by downing Shaw 35-20 on the Cardinal field. Lakewood concluded its undefeated season by trouncing West Tech, 33-0. Jim Morick was selected as Ranger of the Year for his outstanding running and consistent scoring. Morick, along with Center Bob Dutnell and Captain Gordon Roberts, was chosen on Cleveland's All-Scholastic team. However, a championship season is a team effort—an effort in which every player, coach, and manager takes part. As a result of this combined effort, Lakewood had an undefeated grid team and another LEL crown.

Halfback Tony Cassara brings a Tiger runner to a crashing stop and ends a Heights scoring threat

Ranger halfback, Jim Morick, wards off a Parma tackler as he sweeps around his left end on his way to a touchdown

Youngstown Chaney—Led by Morick's three touchdowns, the Rangers romped over an outclassed Chaney eleven, 37-13. Interceptions by Jump and Finau aided Lakewood.

Parma—A hard-charging line kept the Redmen off balance the entire game as Lakewood won its first LEL contest, 25-0. Brown recovered a fumble to set up the first tally.

Euclid—Center Bob Dutnell blocked a Panther punt on the one-yard line as Lakewood shut out Euclid, 21-0. Six-pointers by Blaney, Enggasser, and Morick completed the rout.

Lorain—Bogged down by a muddy Lorain field, Lakewood fought to a 6-6 tie with the Steelmen. A last minute Ranger drive stalled on the Lorain 33 as the final gun sounded.

Shaker—The Rangers received a real scare before downing a stubborn Red Raider team, 12-6. Fullback Bob Borland accounted for both Ranger tallies with short line plunges.

Lincoln—Cheered by a large Homecoming crowd, Lakewood rolled over a hapless Lincoln eleven, 39-14. Long runs by Morick, Borland, Papp highlighted the Ranger win.

Cleveland Heights—With Morick's six touchdowns leading the way, Lakewood swamped the Tigers, 53-19. Crisp downfield blocking repeatedly cleared a path for Morick's runs.

Elyria—Tom Barrett's smashing runs paved the way to a 25-7 Ranger victory over the Elyria Pioneers. A 61-yard punt return by John Papp sparked the alert Ranger attack.

Shaw—Piling up a 21-0 half-time lead, Lakewood battled to a 35-20 win over the Shaw Cardinals to clinch the LEL crown. Bob Borland's 40-yard run climaxed the win.

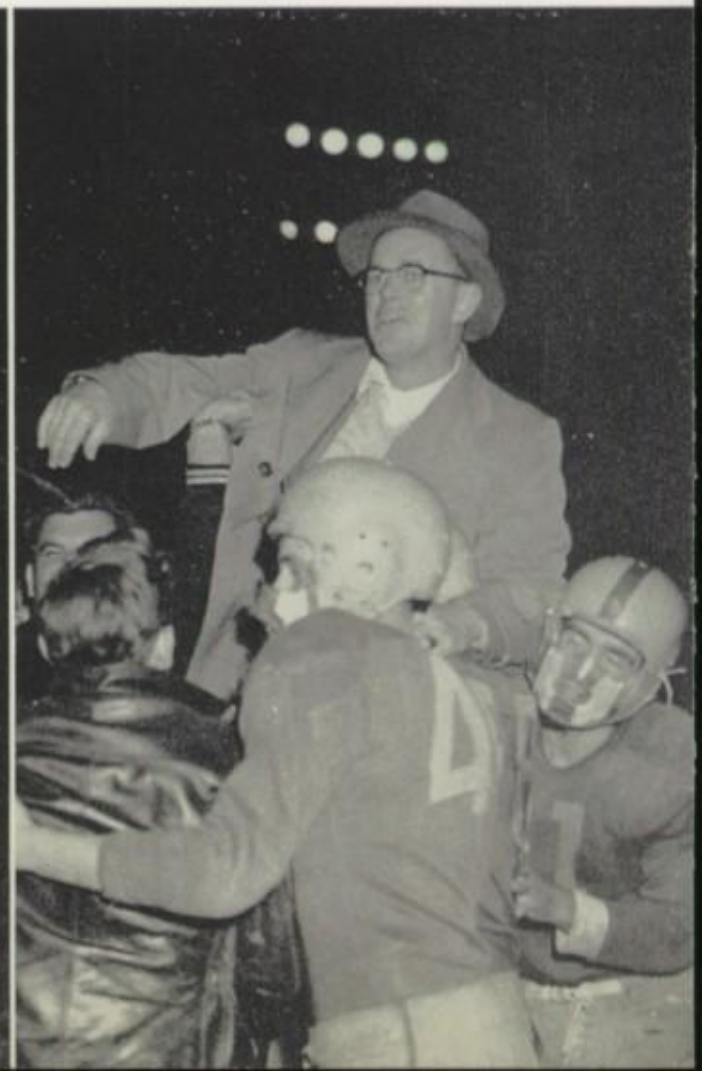

West Tech—Finishing an undefeated season, Lakewood blanked West Tech, 33-0. Guard Jim Daniels rambled 59 yards on a pass interception to score the final LHS touchdown.

Morick Totals 128 Points to Set Lakewood Record

Lakewood's undefeated Rangers outscored, outran, and outfought their opponents, maintaining a 2:1 ratio in almost every offensive department, as they rolled through the fall schedule. Speedy halfback Jim Morick chalked up 128 points, a new LHS scoring record, and tallied six times during the Cleveland Heights game to set another mark.

J V Team Wins Eight Games, Lake Erie League Title

Coach Don Harwood's Junior Varsity Rangers amassed a record of eight victories and only one setback as they captured the LEL championship for the second straight year. The J.V.'s displayed a quick, hard-hitting offense as they tallied 224 points while the defensive team allowed only 57. The fall campaign included five shutout victories over

Collinwood, West Tech, Euclid, Parma, and Shaw. John Pasalis and Selby Jacobs were the high scorers for the season, chalking up 63 and 61 points respectively. The Jayvees' backfield strength and rugged defensive line should insure a strong varsity team for the next two seasons. Congratulations to coach Don Harwood and his J.V. squad.

Lakewood's Varsity basketball team displayed erratic form as they posted a 9-10 record. The hot-and-cold Rangers couldn't find the basket consistently, and lost five games by five points or less. The cagers began the schedule with a thrilling win over Toledo Scott, 50-49, as Dave Tenwick started his season scoring spree with 30 points. Traveling to Shaw, the Rossmen lost their LEL opener, 41-45. The team split their next four games, picking up victories over Shaker and West Tech and losing to two of the area's top quintets, Elyria and West. In the annual Alumni game, the varsity's fourth quarter rally fell just short as they were edged by the grads, 63-64. The following week found Euclid's eventual LEL champs too much for the Ranger squad as they fell 45-72. The Lakewood five captured their second LEL triumph, trouncing Cleveland

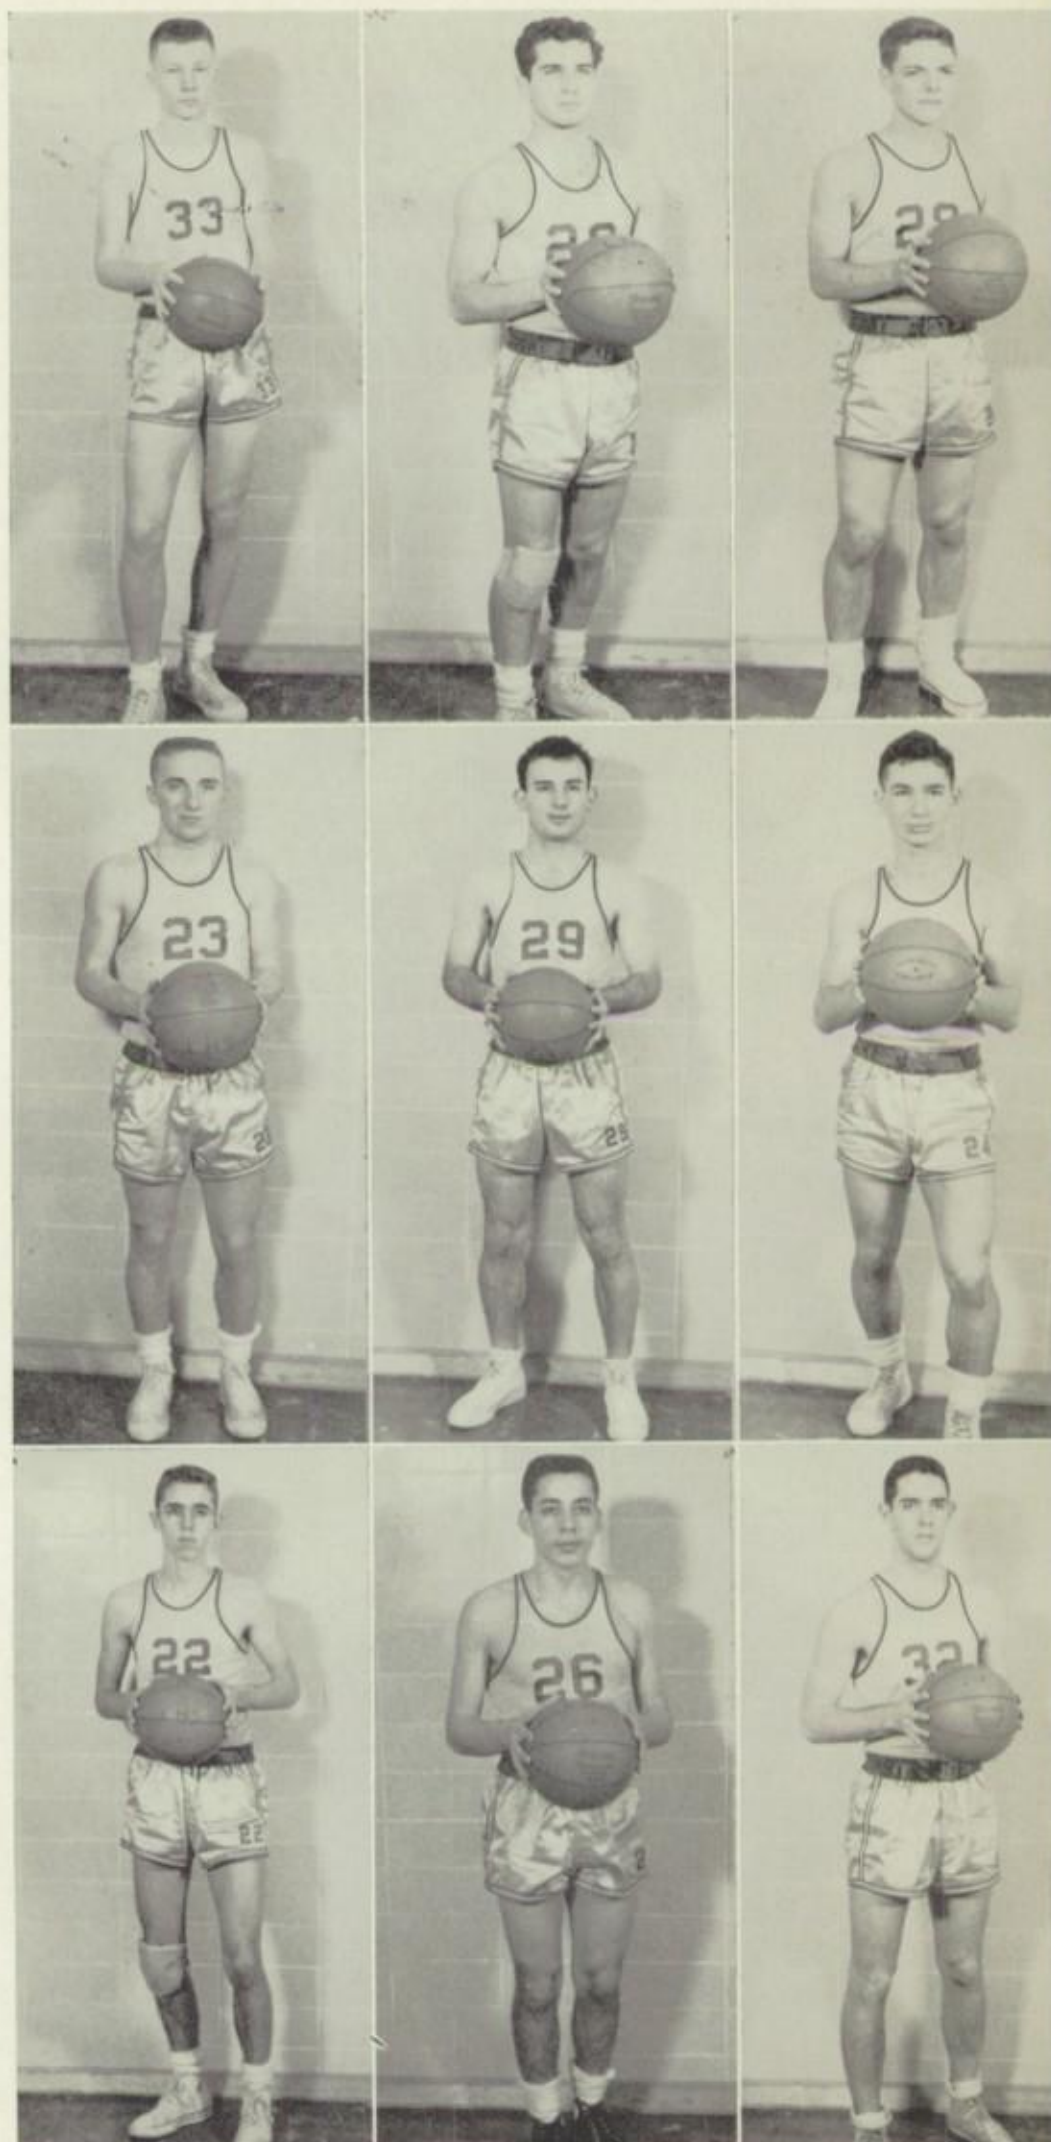

Heights 60-47. After a five point loss to Parma, the Rangers fashioned a startling upset, tripping the league-leading Shaw Cardinals, 60-45. Forward John Papp tallied 19 points as the Lakewood squad outplayed the Cardinals, displaying championship form for the first time during the season. The next weekend the varsity cagers beat Shaker for the second time, this time by a 68-56 score. After dropping their next league outing against Euclid, 57-78, the Rossmen nipped a fighting Cleveland Heights team, 54-52. Coming to the close of their season, the Rangers traveled to Lorain where they put up a stiff battle before bowing to the Steelmen, 67-71. The following week, the Ranger team closed its LEL and regular season by losing a close contest to Parma, 48-67. Lakewood thus ended its regular season with seven wins and nine losses.

Sparkle in 60-45 Shaw Rout

The Ranger basketball team finished fourth in the Lake Erie League with a record of five wins and five defeats. Ranger center Dave Tenwick was selected for the All-Lake Erie basketball squad and also was chosen for the Berea District Tournament All-Star team. Tenwick averaged over 20 points per game during the season, and his accuracy coupled with the speed and aggressiveness of Rangers Barrett, Morick, Papp, and Blaney helped give Lakewood another fine basketball season. Congratulations to Coach Ross and his 33rd Lakewood basketball team.

Cagers Advance to Semi's of B.-W. Tournament

Aided by the addition of JV players John Pasalis and Phil Dubensky, the Rangers fought their way to the semi-finals of the Berea District Tournament before falling to a hustling Berea five, 51-56. The Rossmen downed a stubborn Oberlin team, 72-60, with Tenwick and Pasalis scoring 27 and 14 points respectively. Next, Lakewood swamped an outclassed Wellington team, 68-39, as Tenwick chalked up 12 points. However, the Rangers met their match in the Berea Braves. Missed foul shots spelled the difference as Lakewood concluded its basketball season.

Sporting a fine balance of height, speed, and accuracy, the Lakewood Junior Varsity basketball team closed the season with a twelve and two record. The mythical LEL crown ranks tops among their laurels. Four of the five starters totaled over 100 points for the season with Phil Dubensky taking top scoring honors with 154 points. The overall season record shows that the Junior Rangers outscored their opponents 816 to 621 or a per game average of 58 to 44. Team spirit played an important part in every victory, and the fine manner in which the team played evidenced the strength of their desire to win. These fiery Jayvees will carry all their spirit, experience, and skill with them in an effort to make an outstanding Lakewood varsity in the 1955 and 1956 season.

The Ranger tennis team conquered all as they won the Lake Erie League title for the second straight year. Under the direction of the new tennis coach, Glen Gamble, the racket squad swept to Lakewood's 19th LEL tennis championship. Opening the season slowly, the Ranger squad barely edged out Cleveland Heights, 3-2. After that the Lakewood team crushed Lorain, Parma, and Euclid by 5-0 scores. After whipping Shaw 4-1, the tennis squad completed their undefeated season by nosing out Shaker, 3-2. Dave Tenwick, the team captain, was the number one singles player while Bob Otto and Ed MacEwen made up the number one doubles team.

Harriers Repeat as LEL and District Champions

First in LEL, 1st in District, 4th in State—these victories climaxed another winning season for the Lakewood Cross Country team. Coach Norman Brown's Harriers were led by returning lettermen Fred Fulmer, Joe Marsh, and Chuck Masek as they outdistanced the field at the LEL meet and nosed out John Marshall by a scant six-point margin in the District contest. Dave Watson, Roger Smith, Dave Hagerson, and Don Smith completed the squad which captured fourth place in the State meet at Columbus. Congratulations to Coach Brown and his team.

The 1955 State Swimming Meet brought to a close an exciting and successful season for the Lakewood Mermen. Starting in early November, they began shaping up for the initial meet with Shaker Heights on December 8th. Losing to Shaker 47-28, and again to Euclid the following week, the swimmers finally came through by placing high in the Euclid Relays December 18th. In the week of January 8th, the tankers scored two successive victories by trampling Akron Buchtel 45-21 and Shaw 48-27, and also shattered five records. Breastroker Charlie Corns broke Lakewood's pool record and then went to Shaw to eclipse theirs with a fast 1 minute 5.3 seconds. Frank Vokoun twice broke his own record while setting a new Briggs' Pool Record in the 100-yard backstroke. The

two, with Gerhard Wolff swimming free-style, went on to break Shaw's medley relay record. Again on January 14th the team scored a decisive victory over Cleveland Heights with a startling 58-17 difference. On January 21st Lakewood was again defeated by Shaker; however this time by a narrow margin of 39-36. Traveling to the Kent Relays, the Ranger Mermen placed second to University School while edging out third place Shaker. The next week Lakewood trounced Euclid by a 39-36 score, and again gave Shaw a major upset with a 57-18 tally. By placing second in both the LEL and District meets and holding seven of nine district records, not including Charlie Corns' state breaststroke record, the Lakewood Mermen proved their power in the '54-'55 season.

Spurred by the anticipation of the State Wrestling Meet, the Lakewood Grapplers took three of their regular season meets and landed five qualifying positions for the state meet held here. Under the sharp instruction of Coach Paul Harger, they enjoyed an improved season, climaxed with a close victory against West High, 24-21 and a welcome

romp over Cleveland Heights, 25-16. Dick Mitchell, at 175 pounds, led the Purple and Gold with a season record of 12 wins and 2 losses. Dick climbed to the state finals, but finished second in the state, losing a 2-0 decision. With sixteen returning members, including four of the state qualifiers, the outlook for next season appears bright.

The Lakewood High Golf team finished strongly last spring, placing third in the Lake Erie League meet. Although the golfers did not win a meet during the season, they lost two matches to powerful Elyria and Lorain squads by a slim two-point margin. The four returning lettermen should provide the nucleus for a strong squad this year.

The Ranger track team climaxed their indoor campaign by winning the West Side championship at the Arena meet. The thinclads scored 64½ points to runner-up Rhodes' 49. Hurdler Keith Moore was a double victor for Lakewood, winning both the low and high barriers. The Lakewood 880-yard relay team of Bob Sobe, Bill Metz, Don Reik, and Frank Dunigan set a new meet record of 1m 37.1 sec. Other Ranger winners were captain Storer in the 440-yard run, Frank Dunigan in the 50-yard dash, and the mile relay team of Storer, Groundwater, Chamberlin, and Sobe. Lakewood started its season by downing Rhodes 48-35, as Moore captured his first double victory. The following week, the Rangers were defeated by East Tech in

a tight meet, 41-42. Lakewood bounced back to defeat John Adams by a whopping 56-27 score, with Moore winning twice again and high-jumper Leo Enggasser chalking up his second triumph. The Rangers ran over John Marshall and Holy Name in a triangular meet. After trampling East High, 71-21, the thinclads again lost to East Tech, this time by a 33-57 margin. Lakewood's final warm-up for the city meet resulted in a 75-17 romp over Euclid. The JV's also had a successful season, closing with victories over Olmsted Falls and Maple Heights. With the outdoor schedule yet to come, the Ranger thinclads have a good chance of winning the LEL title. Congratulations to Coach Carl Antel and his Jayvee and Varsity track teams.

1954 Outdoor Squad Wins Muskingum Relays, LEL

Victorious in four major meets, the 1954 Ranger track team proved to be one of the best ever. The thinclads captured the Muskingum Relays, beating out Mansfield by 7 points, 56-49. The Rangers also fulfilled a major ambition when they nosed out East Tech to take the West Tech Relays. The Lakewood team finished third in the Mansfield Relays among the 103 teams participating. Looked upon as a major track power, Lakewood climaxed its season by running away with the LEL championship and also seizing the district crown, nosing out second place Rhodes. Congratulations to Coach Antel and his championship outdoor track team.

Finally finding the range after a disastrous start, the Lakewood baseball team won four of its last five games to finish fourth in the LEL. The Rangers suffered consecutive defeats at the hands of Parma, Euclid, Shaker, and Cleveland Heights before downing Heights in a return match, 6-5. The Euclid game saw Lakewood become the victim of a no-hit, no-run game pitched by Ernie Christoff of the Panthers. After absorbing a 4-1 defeat from Shaker, the Rangers nip-

ped Parma, 9-8, in a tense 11-inning duel. Losers of a close 4-3 decision to Shaw, Coach Harwood's team won two straight shut-out victories, beating Euclid 5-0 and Shaw 3-0. Edged again by the Parma nine, Lakewood finished its season with a 4-3 win over John Marshall. Led by Mr. Rossi in his first year as coach, the JV baseball squad wound up its season with an undefeated record. The addition of these JV players this year should give Lakewood a winning baseball team.

Although the "L" Club, Lakewood High School's honorary athletic organization, meets only once a year, their favorite project, filling up the trophy cases, seems to be a year round job. The club is composed entirely of boys who have won a major letter in one sport or more. Dave Tenwick, playing in the number one singles position, led the tennis team to the LEL championship, while Fred Fulmer sparked the cross-country team to garner another league crown. Jim Morick, along with captain Gordon Roberts and Bob Dutnell, made the All-Scholastic football team. Morick, speedy Ranger

halfback, not only won the "Ranger of the Year" award, but also broke the total season scoring mark with 128 points to his credit. Dick Mitchell highlighted the wrestling season by copping second place in the State Wrestling Meet, held at Lakewood this year. Don DeLeur also placed in this meet. Charlie Corns and Frank Vokoun consistently broke records during the swimming season as Lakewood finished second in the LEL and third in the state. With the track, golf and baseball seasons yet to go, Lakewood has an excellent chance of capturing more LEL titles. Congratulations to all "L" Club members.

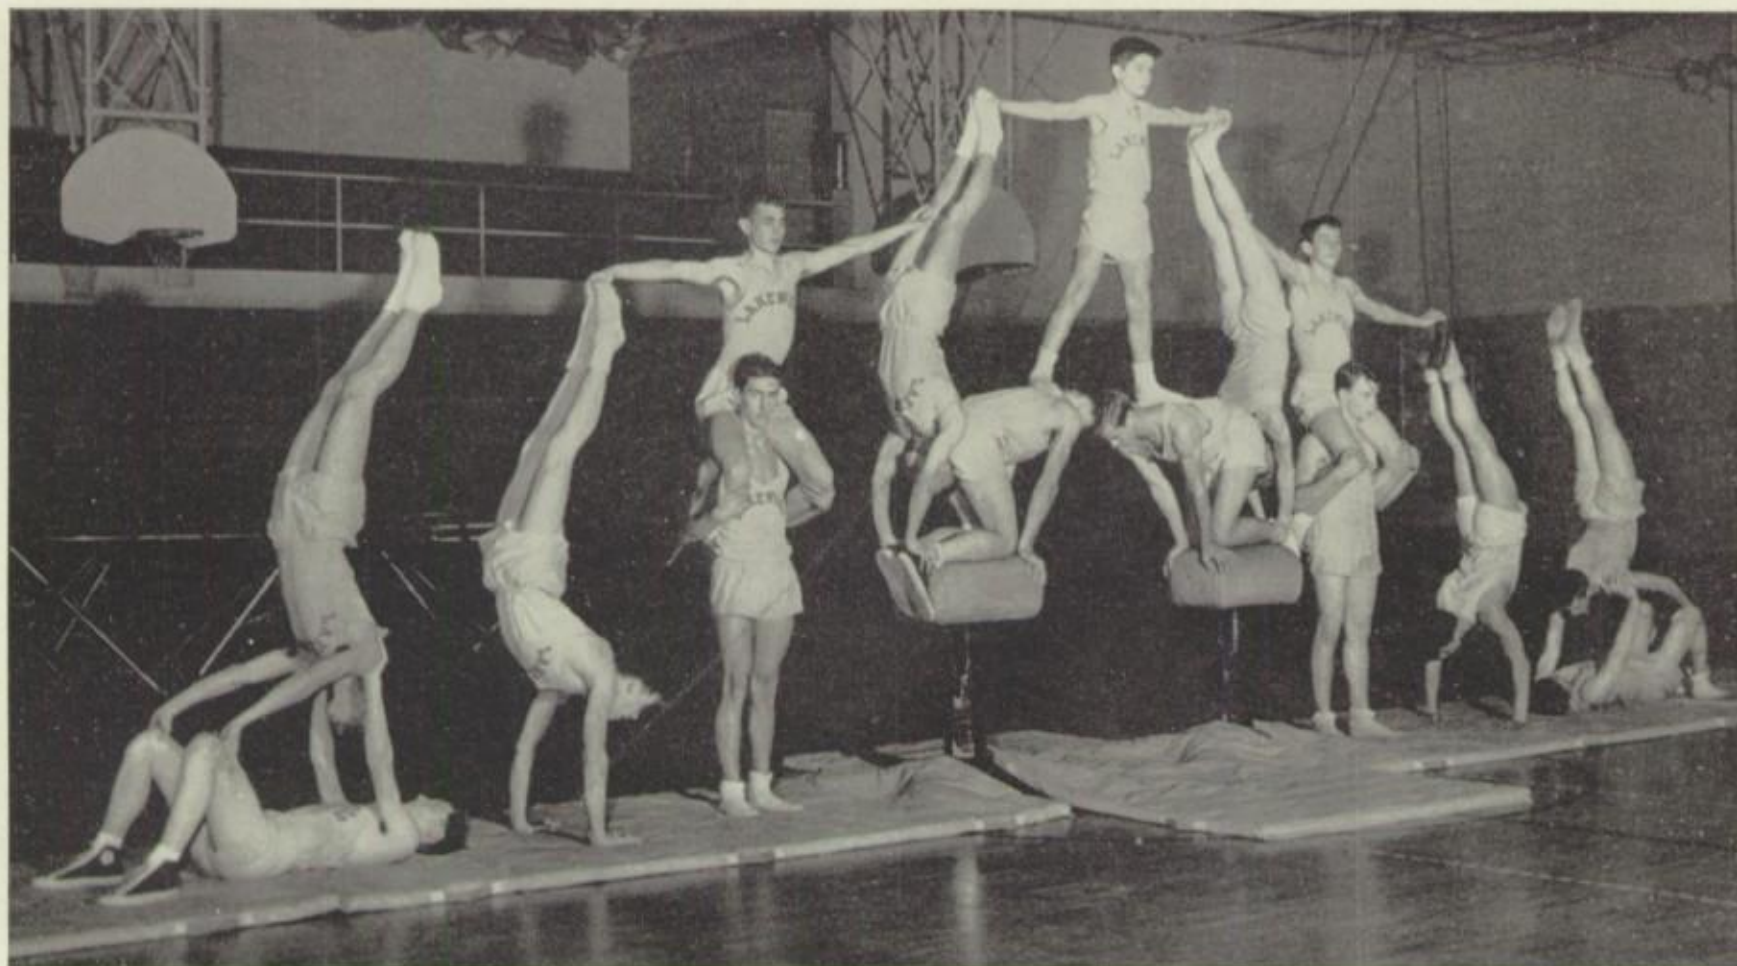

Coach Antel's fifth hour marching class, an innovation this year, teaches boys the fundamental marching steps and formations, increases their endurance and agility, and starts training them for future military service

Lively Intramural Program Offers Bowling, Tennis,

A sport for every boy—this is the goal of Lakewood's diversified intramural athletic program. The regular gym classes increase boys' proficiency in a wide variety of sports. In September, boys can use the tennis courts if they wish, and the classes hold a singles playoff. All boys play soccer and speedball, and a tournament determines the class champions. During the winter months, the schedule changes considerably. Although basketball and volleyball are regular features, the gym classes also offer calisthenics, relay races, and indoor track. Every boy takes swimming for a six-week period, once every semester. Boys learn the three basic strokes: freestyle, backstroke, and breaststroke. Health, another course of the physical education program, provides a fundamental knowledge of the human body. In the spring, the classes again stress track

by running the quarter mile, half mile, and mile. In addition to the regular gym classes, two specialized groups develop extra skills for interested boys. One is the newly organized fifth hour marching class in which boys learn coordination, practice precision drill, and develop skill in special calisthenics. The other is the sixth hour tumbling class which entertains between halves of the basketball games. Building pyramids, flying high on the trampoline, and jumping rope are just a few of the many skills practiced. Continuing on the competitive theme, an inter-homeroom program is carried out to promote cooperative spirit and provide practice. Especially popular events are the volleyball and basketball leagues held in the gym before school, the bowling tournament held at Bowl-Mor Lanes after school, and the golf competition held in the spring.

The sixth hour tumbling class led by Coach Harwood develops skill and co-ordination by perfecting apparatus and pyramid routines in preparation for 'Turners' meets and exhibitions during half-times of basketball games

By participating in the large intramural program, Lakewood girls strive to achieve one or more of the three athletic awards. The medal, being the highest award, requires 900 points. The L-pin and shield for 600 and 300 points, respectively, also spur active sport participation. Additional points may be obtained from officiating at or managing a tournament. Yale-Harvard Classic Ends Girls' Basketball Season

Leaders

Brightly colored socks adorned the ankles of all who attended the Leaders "Sock Hop", a money raising project to send CARE packages abroad. Besides staging a playday for all of the west side suburbs, Leaders entertained a group from Avon Lake, helping them organize an athletic program of their own. Qualities such as dexterity and athletic ability are necessary for members, as a skill test must be passed for entrance.

Yale-Harvard

Rounding out the long basketball season, members of the Yale-Harvard team displayed the skills which gave each of them their position on the squad. Before surprised spectators, the underestimated power of the 1954 Harvard team broke the spell of Yale, 34-22. With the exception of two ties, Yale had emerged victorious in every game since 1947. Climax of the annual affair was, as usual, a dinner held for both teams.

Organized as a major swimming group rather than a club as in former years, forty enthusiastic Tankateers in class sessions derived constant pleasures and maximum benefit from swimming as a sport. Directed by the new instructor, Mrs. Patricia Wilson, the fifteen Senior members perfected artistic performances which were presented before swimming clubs attending the Lake Erie League Play Day at Shaker Heights. In one truly spectacular number the group, representing feelings and emotions through rhythmic rolls, sweeping arcs, and gestures of split-second timing, swam in perfect unison to the ballet from "The American in Paris".

Dancers Delight Everyone at Dedication Program

Versatility of dancers reflects expert training. With ingenuity and finesse a group of dancers presented new steps in compositions before a modern dance workshop held at Shaker Heights. Artistic was the Christmas assembly in which major modern dancers, employing thirteen acts, characterized and interpreted the Season from the gaiety of "Jingle Bells" to the lightness of "Winter Wonderland" and the sublime finale of "Silent Night". Culminating all were numbers on the Dedication Program, rhythmic waltz and graceful ballets danced to the beautiful harmony of the Lakewood A Cappella Choir.

Tournament sports of archery, ping pong, and badminton, develop individual skills, providing enjoyment and fun the year round. Weather does not interfere with archery at Lakewood's indoor range, where finalists in the twelve week tourney scored over 600 points, shooting 90 arrows. Many girls participated in scheduled matches for the ping pong tournament. Crucial games were played off in GGR. Graceful girls and flying birds kept the gym lively during the badminton meet.

With a sputter and splash swimmers in formation practice the front crawl

Foremost among sports for after school enjoyment are swimming, bowling, and tumbling. The pool provides supervised recreation for about fifty girls in open swim sessions one night each week. Avid enthusiasm permeated bowlers as eighty girls on ten teams rolled in the tourney at Bowl-Mor. Many girls enjoyed the more "formal" activities of tumbling and stunts. This year for the first time the girls' gym has been open after school for practice on the trampoline and apparatus.

In the competitive sports of basketball and volleyball, peppy teams tussle for top honors. Impressive achievements—individually and collectively—register the zeal of the players and the efficiency of the athletic program for leisure-time activities. A newly-initiated contest held before classes each day brought better baskets, determining the girls' foul-shooting champion, while coed games provided many a thrill for cage enthusiasts. From outstanding talent in homeroom competition, six evenly-balanced groups were organized into All-Star teams. Expert players selected from the All-Stars played off in the Yale-Harvard game. In volleyball, too, the ultimate goal of each homeroom champ was to qualify for the All-Star team. At the beginning of the spring season, golfers were outdoors to perfect skills learned earlier during indoor class periods.

Prowess and Portray Sportsmanship Typical of LHS

All girls have ample opportunity to take part in intramurals. With tennis, hockey, and baseball on the agenda varied interests are served. Opening the fall program, tennis set a record for popularity, where play was aided by the roomy, hard-surfaced courts. The hockey tournament, a favorite series, was transformed into a hotly-contested battle with the elements. In spite of revised schedules and facilities of the new field, the tournament was finally abandoned. Many girls exhibit keen interest in the game of baseball, practicing tirelessly during gym periods and after school to recapture personal pitching skills or to bring up batting averages. On organized teams girls realize the necessity for teamwork and the spirit of unity among members, ideals which will prove profitable to them not in athletics alone, but all through their adult life.

Backhand practice is an important part of the tennis instruction program offered in girls' gym classes

Student Council represents the entire student body of Lakewood High; through this organization each student has an active voice in school affairs. Therefore its members, guided by a faculty adviser, have a great responsibility. Membership consists of five elected officers, eight committee directors, a representative from each homeroom, eight members-at-large, and the possibility of four honorary members. Each year it is the custom of the Council to purchase articles needed by the school. This year they purchased a lectern, a Lakewood High School flag, and lounge furniture for the Civic Auditorium. To raise needed funds the Student Council sponsors several projects, three of which are the collection of tax stamps, the magazine

drive, and the producing of the Laff Musi-cale. The more apparent duties of Student Council are the cafeteria and library duties, the planning of all school parties and dances, and helping in the organization of pep rallies. This year Lakewood's Student Council was host to Student Council representatives from the other Lake Erie League schools. These students were taken on a tour through the school and new auditorium, and discussions were held on problems confronting the various schools present. Formed last year, the Murals Committee's purpose is to improve the appearance of the building. New pictures were purchased to add to the eight bought last year for study halls 229 and 141. This completed Council's constructive year.

Membership of Executive Council consists of the five elected officers of Student Council and the directors of the eight committees. The officers are: president, Jack Christie; vice-president, John Skillman; executive secretary, Kay Greene; recording secretary, Sharon Geist; and treasurer, Dave McCann. The committee directors are: Tax Stamps, Paul Brown; Lost and Found, Betsy Twigg; Public Relations, Bob Golding; Public Welfare, Susie Jaite; Council Duties, Bob Dutnell; Library, Jim Groundwater; Recreation, Chuck Hoyt; and Activities, Ron Fisher. These students, under the direction of Miss Lucy Helen Kimball, plan the schedule for all the Student Council meetings and organize and direct all the major business issues.

To everyone at Lakewood High School, educational facilities offer unlimited opportunities for success in the future. But to the individual Lakewood means more. Participation in clubs, competition in sports and elections, fun at parties, and a feeling that each person plays a role in some phase of school life led to the development of this year's theme: This Is My School. Staff members tried to tie together the interests and ambitions of teachers and students into one memorable record, the 1955 Cinema.

For Tenth Consecutive Year High Times Wins All-

Burt, Siegwirth scout for an unusual slant in the news about the new auditorium with photographer Middlekauff

Each Friday morning finds students in home rooms, on steps, in L-Room, and halls—all attentively reading their individual copies of the LAKEWOOD HIGH TIMES. The thirty annual issues have become a tradition carried through the 34 years the TIMES has existed. The paper is managed, written, and edited by the staff members and journalism classes under the advice of Mr. Seymour A. Slater, faculty sponsor. The main objective, to have an interesting paper which reflects credit to the school, has constantly guided the policies followed by the editorial staff in planning each edition. This year editors are Robert Burt, Suzanne Kincaid, Roger Lovell, Robert Coffin, and Richard Louie.

Lively feature stories, timely school news, and varied columns have their place on the pages of the HIGH TIMES each Friday. A special feature of the paper this year has been a weekly report on the construction program of the new auditorium from the ground-breaking ceremonies to its completion and dedication. The editorial columns, "Letters to the Editor", written by the student body, and contributions in the "High-Life" column keep students informed about casual happenings in the lives of fellow classmates. Specialities such as the "Ranger Trail" and "Is this your birthday?" give the personal touch to items around the school. This complete news coverage, made possible by hard and constant work, has secured the TIMES ten successive All-American ratings.

'Friendship Is Its Own Reward' Inspires Members

Combining the religious, intellectual, physical, and social aspects of school life, the five Friendship chapters, with a spirit of cooperation, emphasized through programs and service projects the ideals of four-fold living. At an assembly in September, when tenth graders were introduced to Friendship, a skit—presented with modern dance numbers—depicted the phases of four-fold living. Following the formation of cabinets, a potluck and leadership training session, held at the Y.W.C.A., acquainted new officers with duties to be performed. Distributing service projects throughout the year, chapters sent Thanksgiving baskets to needy families, caroled for the Music Scholarship Fund, created favors for polio wards, entertained at the County Nursing Home, and sent CARE packages to aid in Korean relief.

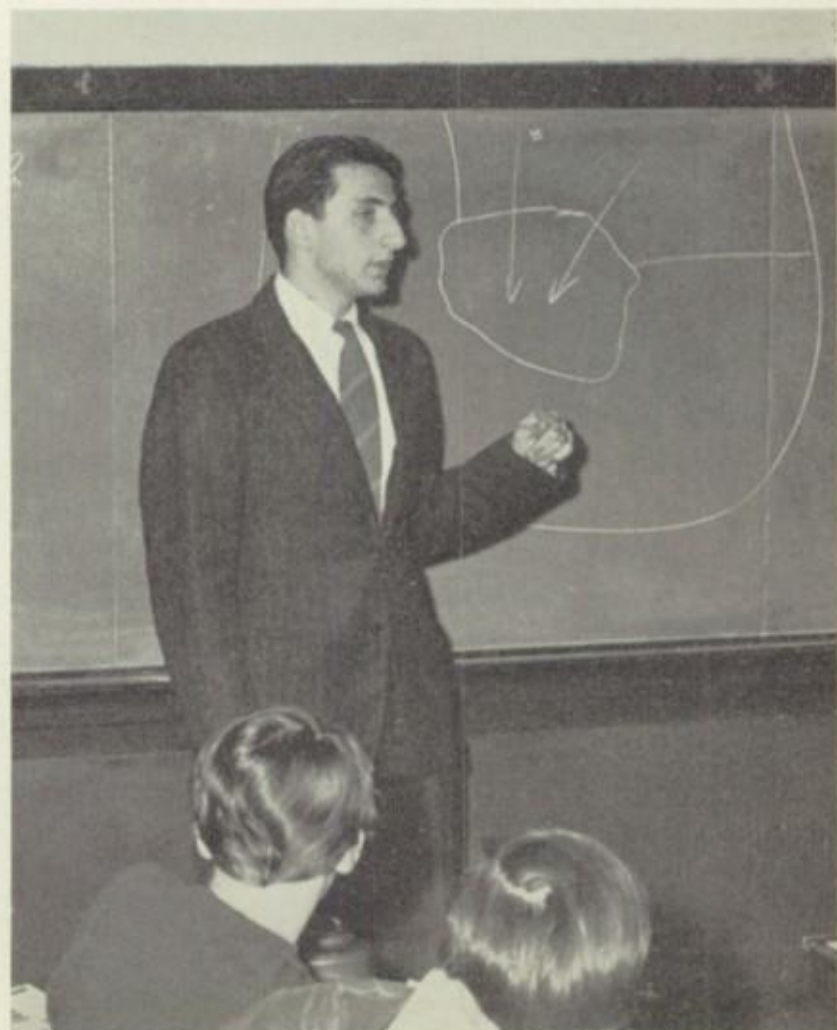

To Seek Facts, Fun, Fellowship in Christian Living

Weather added to the atmosphere at the "Snowball" as couples swayed to the rhythmic strains of Paul Lawrence's band during the annual Hi-Y-Friendship Dance. Talent show numbers, including a drum solo, enlivened the intermission

Selling at the concession stands during football games afforded fellowship and fun for all girls, also provided funds for chapter treasuries. At the "Y" club rooms, Main Cabinet held a family dessert and get-together to acquaint parents with their club. Friendship girls combined with clubs in other schools for both the Annual Mid-Winter and Summer Conferences. They also sent a delegate to the Y.W.C.A. National Convention in New York. The leading social event was the annual Hi-Y-Friendship Dance held in February. Highlighting the Hi-Y-Friendship conference was the return of Reverend Bob Richards, who inspired members at assemblies, a banquet, and individual conferences. The "Pa-Ma-Me" dessert, installation of new officers, and Senior Farewell culminated an active and fruitful year.

Through a stirring induction service Hi-Y boys discover the basic aims and ideals associated with their club

At the Senior Farewell, members of the 12th grade Hi-Y chapters recall all that the Hi-Y program has meant to them in the past. From the Induction-Rededication service at the beginning of each year to this last meeting, the purpose, "To create, maintain, extend—" has been uppermost in club emphasis. To supplement the regular chapter programs of dinner-meetings, speakers, and movies, many special events are planned. Some of the most, yet least publicized, are the many service projects which fill each year. Kids' Day peanut sale, distribution of Community Fund posters, concession stands at sports events—all keep Hi-Y members hopping. Nevertheless, the boys get a chance for other activities—playing in the Hi-Y basketball league, going to various conferences,

camps, and Cleveland District meetings. Another favorite is the Youth-in-Government program where Hi-Y boys take over the state legislature, draw up bills, and introduce them to the youth assembly. The Spring semester featured the three high spots of this year. The first was the Hi-Y-Friendship Dance, the "Snow Ball". Everyone who attended enjoyed the entertaining talent show and the friendly atmosphere of the dance. Next, at the Hi-Y-Friendship Conference, Rev. Bob Richards again thrilled the student body with his inspiring addresses and especially informative question and answer periods. For their final project of the year, the Hi-Y clubs sponsored the Springfield gymnasts in order to raise money for service projects around the world.

Busily planning for Latin Week, club officers discuss the merits of a display of Roman architecture and design

Sending a CARE package to Israel comprised one of the Latin Club's major projects this year. More in keeping with the purpose of the club, to make Latin live, was a gift to the library book fund to help purchase "Roman Painting", a new book by Skira. A trip to the Art Museum afforded everyone a chance to see examples of old Roman architecture and to hear a talk on design and antiques. The Christmas program featured Mrs. Josephine Bienstadt, telling the "Legend of the Christmas Rose". Films on Greece and the eruption of Vesuvius made up another program. The Latin Week party this year broke away from custom and was held at night instead of during the day. Again the program featured local talent, but dancing to records was a new attraction this year.

Busy German Members Edit Newspaper, Plan Party

To energetic club members "Das Klatschbase Blatt" and "Fastnachtabend" mean meticulous planning, work, and finally well-earned enjoyment. Published twice a semester, the German newspaper is written and edited by members. It features world and school news, crossword puzzles and editorials. At Fastnachtabend, a pre-Lenten party held at Marie Dobler's home, members sampled native food and learned folk dances. Well-versed speakers and colorful slides added zest to various meetings and served to acquaint participants with German customs and dress. To round off a year of many activities, sponsor, Miss Mary Coates, made tentative plans for an excursion of historical interest.

From the Mardi Gras to the lively monthly meetings, the French Club provides opportunities for students to increase their knowledge of France and her people. Typical French sidewalk cafes complete with waiters and waitresses brought into the L-Room the gay carnival atmosphere of the annual Mardi Gras. Teachers and other visitors, several of them French, joined the crowd of students clad in colorful costumes. "La Petit Monde", a paper issued every month this year, revived a journalism project of the past. Included in the publication were stories, puzzles, and jokes. Programs at the meetings ranged from skits, such as "Les Petits Sabots" and "Au Cafe", to a Christmas potluck. Songs, vocabulary games, movies, talks by members and outside French speakers rounded out the year's activities.

"Se abre la sesion," said the president of Spanish Club, Erik del Valle. Erik added sparkle to the meetings by conducting the business in Spanish. Headlining the social festivities for this year was the gay Fiesta, held during the Christmas season. Many students turned out that night to watch the breaking of the pinata. Included in the night's entertainment was Sheliah Bentley, giving an impersonation of Sophie Tucker. Jerry Yun sang some traditional Christmas carols in Korean. Some representatives from different Spanish speaking countries were present to enjoy the fun. Tim Nesbitt and Tom Newell gave an interesting itinerary of their excursion to Mexico at a club program. An arresting fact to note is that this Spanish Club is the second largest of its type in the entire United States.

Orchestra Plays at Dedication of New Auditorium

To provide fine music for school affairs and community functions, members of the Lakewood High School Orchestra have many practice sessions before school and rehearse every eighth hour throughout the year. They played at the dedication of the new Lakewood Civic Auditorium and participated in the annual Lake Erie League Festival held at Parma High School. Frequent playing for the Lakewood junior high schools also adds to their accomplishments. The orchestra always closes its year by playing for Baccalaureate and Commencement exercises.

Band Entertains at General Motors Auto Show

Appearance of the Lakewood High School Band at football games and pep rallies rouses Lakewood students and friends to a high peak of excitement. The band's ability is widely recognized by organizations outside the school, as shown by the many invitations they receive. Under the direction of Mr. Arthur Jewell, the band played at the General Motors Auto Show in Cleveland and for the Lakewood Rotary Club. Successful participation of ensembles and soloists in the Ohio State Music Contest adds to its reputation of being one of the best in the State.

"Two down front? Follow me, please." From these two comments it's evident that the ushers are on the job again during one of many school programs, as the annual play or Laff-Musicale produced in the auditorium. Miss Marthella Spinneweber, director, mentions that although it is primarily a volunteer organization, members give freely of their time to render those "extra" services which make the entertainment more pleasant. Ushers on duty may be easily identified by uniforms of white blouses and dark skirts. Being a service club, the entire group does not often have the opportunity to get together; however, there is one occasion enjoyed by all, the annual potluck, at which Miss Spinneweber and the girls indulge in lots of chatter and calories are forgotten.

'Apollo of Bellac' Caps Full Year for Barnstormers

Tryouts for "Apollo of Bellac" brought hopefuls to auditorium auditions to read for dramatic coach, Mr. Smith

"There's no business like show business." Looking to this timeworn motto for inspiration, Barnstormers officers planned an exciting schedule of meetings for this year. The club agenda included a make-up demonstration, a one-act play, "Case of the Crushed Petunias", and a joint meeting with Speakers and Writers Club, featuring Omar Ranney, Press columnist, as guest speaker. Many of the meetings were devoted to planning and preparing for "Death Takes a Holiday", Barnstormers' fall production. Practicing make-up application, seeing lighting effects, and getting valuable tips from experienced guest speakers prepare the Barnstormers member for taking part in a full scale production, either as a member of the cast or, equally important, as part of a crew.

Studying sine waves procured from the oscilloscope engages senior members R. Stephens, G. Fair, and P. Varady

Research in development of chemical explosives, their history and uses, was one of the educational subjects studied by the science club. Stimulated and inspired by a talk given by Mr. Orden of N.A.C.A. on various types of fuel, rockets, and rocket platforms, members continued with increased enthusiasm their project of constructing their own rocket. Study of the oscilloscope, an instrument for showing visually the changes in varying current, opened new fields of interest to many budding scientists.

Trying to make the study of biology easier for both teacher and students, Agassiz Club remodeled the fish and bird identification keys and repainted the dissection charts to make them more understandable. Another service rendered by the club to the department was fixing up the long-neglected terrarium. A featured meeting of the club included Mr. Ralph Rood, who presented a talk and slides on the life of the tomato worm. The spring theme was bird study, and several bird walks around Cleveland were planned.

Consistent repair and maintenance of movie projectors and films provides one of the basic duties of this club

This year's Projectionist Club has continued to maintain all phases of Lakewood High's film operations. They control the running of educational movies in room 126, the center of visual education for all classes in the school. During lunch hours, experienced members of this club show current motion pictures in the auditorium to any students who wish to see them. Senior members take turns operating these movies while helping "rookie" members learn tricks of the trade. These boys are trained not only to run movie projectors, but also to repair them whenever necessary. With the opening of the Civic Auditorium, members of this group will have the use of the new projection booth and high quality equipment. Senior members who have served for three semesters are rewarded with minor "L's".

Through rehearsals to curtain calls, stage staff's presence receives little notice or comment. Working harmoniously with directors and producers, they design and make the stage sets, and create the lighting effects which so appropriately set the mood for the plays. During the performance the alert stage crew intently watches cues for special lighting or sound effects which add so much to the enjoyment of the performance and create unusual settings for each show. At the show's end their work is still incomplete, for they must "strike the set" to prepare the stage for the next show or assembly. For members of the Stage Staff there is no wild round of applause, but only the quiet satisfaction of work well done. For the second year this group is under the capable direction of Mr. Wallace Smith.

Photo Club Members Utilize New Filming Methods

Intriguing new developments in photography furnish incentive for members of the Photo Club to strive toward getting good quality negatives and prints. Mr. Ralph Rood assists the members by offering helpful criticisms of their work and by coaching them on many old and new processes universally utilized by photographers today. In recent years, the club has made available for itself several cameras, a completely equipped darkroom, and numerous lighting units. The darkroom often is occupied during the school day with the photographic orders of the Cinema and High Times. Photographers for these two process several hundred prints yearly.

Many types of business and scientific work daily utilize applications of mathematics. Upon these, conscientious Math Club members concentrate during research and study. The club's officers take time to organize many interesting meetings that present numerous theories of math and their applications in business today. Topics of great importance to math such as the use of the slide rules and solving complex equations and problems are of special significance to the members of the club. One science that attracts the attentions of many and is highly dependent upon math is study of astronomy.

Varied Contests and Trips Attract Hi-Art Members

Mr. Rossi and Erika Oehrmann view abstracts by D. Smart, D. Bentley to be entered in paper sculpture contest

Learning mixed with fun is the theme behind many of the Hi-Art meetings. Field trips to Halles' art department and the May Show gave interested students a chance to study varied phases of art. The Walker China Company was the site of another club excursion. The smooth precision with which the pottery came off the wheel astounded the group. Commercial artist and LHS alumnus Kinley Shogren showed slides and exhibited some of his work at another of these meetings. A paper sculpture contest with cash prizes spurred members to create colorful free forms. The following winners were: first, Dick Smart; second, Marie Griffen; third, June Werner; fourth, Janice DeHaven. Mr. J. D. Rossi the club sponsor and Mr. Thomas Cook, department head, judged the art entries.

Students interested in phases of the business field receive a true picture of commercial life at the Hi-Commercial Club meetings. Held once a month, the meetings consist of a business session, a program, and a social period. The informative programs include demonstrations like the one given by the IBM representative who showed the girls how the complex electrical machines operate. They also feature informal, descriptive talks by qualified speakers from business organizations, such as Ohio Bell and United Airlines. These types of programs afford valuable suggestions on applying, securing, and holding positions in business.

"Hi-Forum Sneaks Behind the Iron Curtain", the fall theme of this world-study club provided many programs which shed new light on Russian culture and political principle. A movie, "The Peoples of Russia", which explained many Russian social and economical problems, was presented at the first meeting. Mr. Dan Burger, who traveled through parts of Russia, shared his experiences with the group at another meeting. Discussing whether or not the U. S. should recognize Communist China, the Western Reserve debate team introduced some new facts and ideas. To remember the ninth birthday of the United Nations, the club presented Dr. Mabel Head, a U.N. observer, for a school assembly. The Christmas tea this year was held in the L-Room for club members, alumni.

Prospective teachers join F. T. A. (Future Teachers of America) to become informed on different aspects of teaching. At meetings this year they gathered information about elementary education, camp counseling, and teacher training. Senior members visited elementary schools to observe teaching methods. The club shared the Christmas spirit by giving a program at the County Nursing Home featuring caroling and passing out cookies to the patients. Making scrapbooks for the Society for Crippled Children was another of their service projects. Eye-catching booths to finance these projects have gained renown at all-school parties. A potluck supper was held at Nancy May's house to discuss future projects. These meetings encourage as well as instruct the F. T. A.

P. A. Staff Masters Intricacies of Broadcasting

Every morning, the seven members of P.A. Staff take their places at the controls in room 114. These boys learn to operate the delicate sound equipment and are instrumental in the daily broadcasting of general announcements. This year a new Stromberg-Carlson amplifier was added to the staff's equipment. This has proved valuable during pep rallies and basketball games. It is through practical experience with these instruments that P.A. Staff members have developed the ability to operate them flawlessly.

Learning what goes into a Boston Cooler is only one of many accomplishments mastered by all "soda jerks" before they are turned loose behind the counter in the L-Room. The staff is composed entirely of volunteers who donate two nights a month to working without pay. All proceeds are donated to a fund used for repairing damaged furniture. A policy of the staff is to keep the room open one night each week for school dances after athletic and social events. To do this, members contribute much extra time.

As a junior member of the Youth Traffic Council of Cleveland, LHS Auto Club sponsors various campaigns against hot-rods and reckless teen-age drivers. In the fall, with the aid and advice of Patrolman E. H. Schmidt of Lakewood's Traffic Force, members inspect cars of students for defective brakes, horns, lights and other safety devices. As a new project this year, the club sponsored the Sportsmanlike Young Driver League. Organized by the Cleveland Automobile Club, this League has the two-fold purpose of giving recognition to many skillful young motorists and attempting to engage more in the campaign for courteous and safe driving.

Speakers and Writers Club offers a sounding-board for boys and girls desiring a place to display their talents. Through readings, recitations, and pantomimes, club members discover the value of thought projection. Spirited debates are always welcomed, allowing pupils the opportunity to express their views on the problems confronting teenagers. One of the club's foremost aims is to inspire future journalists. Reading original compositions helps to develop poise and self-confidence in the individual. This year's group has given monthly programs that have included participation by all members along with several experienced outside speakers.

Hospital Staff Assembles for Last Year in Room 102

A new health center came to life with the opening of the new Lakewood Civic Auditorium. Days of using the crowded hospital rooms in the Women's Building are over. The centrally-located health center opens off the passageway leading into the new building from the west end of the main building. Entry into this passage is from the landing between the first and second floors. On the righthand side is the health center, which consists of a suite of four well-lighted rooms with windows facing Franklin Boulevard. The reception room is also the first-aid center; two small rooms off this provide cots for

indisposed students, one room being for boys, the other one for girls. A business office and a large room for examinations and conferences provide the needed space and modern equipment for Dr. Homer Yoder, the school physician, and Mrs. Lava Garrett, the school nurse. Students serving on the hospital staff spend busy hours in helping Mrs. Garrett arrange supplies and keep rooms and equipment in perfect order. They also make and file students' health records and do other routine office jobs. Thus, they gain a practical knowledge of basic nursing requirements and careers.

Students work with Mrs. Garrett in Hospital Staff program. Seated—J. Morick, M. Tudbury, J. Maloney, M.

Evacuation of the library to a new location on the third floor will proceed from plans to reality as construction begins early this summer. The new library, which will be a continuation of the old auditorium balcony,

will cover a floor space 60' by 74'. Future students will have access to the latest in library conveniences, including a browsing section for enjoyable undisturbed reading and available room for private conferences.

Excitement Reigns for All During Campaign Week

Banners, posters are painted by candidate and committee members in preparation for campaign week

Semester nominations for Student Council officers spell excitement to the student body as well as to those nominated to offices. Campaign committees spend long and late hours planning skits and designing floaters for their respective candidate. Committee members hang up banners and posters, pass out floaters, and tack up homeroom posters as the main campaign drive rolls into action. Campaign speeches and skits climax campaign week. Students cast their votes in the semi-annual election the following day.

School Spirit Soars During Fall Season; Everyone

Leading the student body in peppy cheers, raising the flag out on the football field before home games, and helping to plan pep rallies are just some of the ways in which the cheerleaders help to establish school spirit among students. These girls spend long hours of practice co-ordinating and

perfecting their many cheers. Members of Athletic Publicity Committee, cheerleaders, and majorettes meet with a faculty adviser to plan all pep rallies. These rallies help to increase attendance at the various athletic events and also help to boost the morale of the boys on our athletic teams.

At College Night held at Lakewood High, students from several high schools are instructed, advised and guided by the representatives from many colleges and universities throughout the United States. These representatives answer various questions concerning the academic qualifications, social life, and financial requirements of their respective schools. At the Father-Son Banquet, a man-sized dinner, a community sing, and an interesting speaker combined to provide an enjoyable evening for all.

Holidays Ring in Big Social Event of School Year

The Christmas Dance, only all-school formal, is the biggest social event of Lakewood High's school year. Plans are made weeks in advance by the executive committee of Student Council in order to make it the social peak of the winter season. Each year the dance not only attracts a large portion of the student body, but numerous "old grads" return to mingle with their friends. Again this year, as has been the custom in the last few years, the Formal was held at the Midday Club in downtown Cleveland. Students, transformed from typical teenagers to young socialites, arrived at the doors of the Club arrayed in formal dress complete with corsages and boutonnieres. Music supplied for the occasion by the orchestra of Orrin Ide plus the holiday atmosphere of the Club created an enjoyable evening for all those attending.

At Christmas Ball, J. Brueggeman aids N. Lytle with her corsage before entering ballroom

The crowning of the football king and queen, Jim Morick and Madeline Covey, highlighted the evening of the Thanksgiving Dance. A promenade followed, consisting of the varsity players and their dates. Preparations had been made by the Sweetheart Committee (composed of the "dates" of the varsity team) with the assistance of the Art Department. A log cabin in the center of the dance floor symbolizing the first Thanksgiving, pictures of the team in the "L" room, brightly painted banners, balloons and refreshments—all added gaiety to the affair.

Climaxing weeks of planning, hopes, and tension, the half-time show of the Homecoming festivity gets under way. A deep silence reigns, and then suddenly, thunderous applause as the queen and her court regally enter in shiny convertibles. Thousands rise in the stands to get a better view. Returning alumni join with students in applauding the crowning of the queen. Reigning resplendently over the student dance are the queen, her court, and their escorts, while old friendships are renewed at the separate alumni dance.

Senior Prom is the finishing touch to a week of social whirl enjoyed by members of last year's graduating class

Senior "red-letter" days culminate socially with the Senior Prom and scholastically with formal Graduation. In 1954 the Mid-Day Club was the scene of the Prom and the Music Hall of Public Auditorium for graduation exercises. In traditional cap and gown 378 graduates received their diplomas from the Board President Omar Ranney. Four outstanding seniors spoke on "The Public School as the Bulwark of Our Democracy."

Simply Wonderful!

... that's how the world looks to any girl or young man prepared for it. We here at Bailey's believe in addition to the proper education ... you have to have the proper apparel to meet the new life that lies ahead. We believe in making it as easy as possible. Our new arrivals in all departments devoted to youth are priced so Dad won't complain about the strain on his budget.

Don't have to wish you luck + stuff cause you've got it. Can't tell you how great it's been this last year. It wouldn't have been the same without you. We'll have to have some more job sessions.

engravings in this book by

Es,
Good luck to a swell kid with one of the best personalities in school. We're really had a lot of laughs and I hope we do too next 2 years. Your fuddy-buddy,
Stan Mackey

Es,
I know you well enough to know you want to know you better. I hope we can be good friends in the future. Luck always,
Gracia Heier

Esther,
To a real swell girl, we've had lots of fun all through school and I hope we will have as much fun next year. Lots of luck.
Jan.
Damon

Dear Es,
lot of luck
you may attempt
day 67.

Es,
Best of luck always,
Of course is terrific
that you are
acc. in student council,
You sure have a
median personality.

Best of luck to you in your new classes hoping to go to college. Luck to you and your family. The going is good. Say, when are you going to start taking the dress? Here's a little something for you. Love,
Me Year

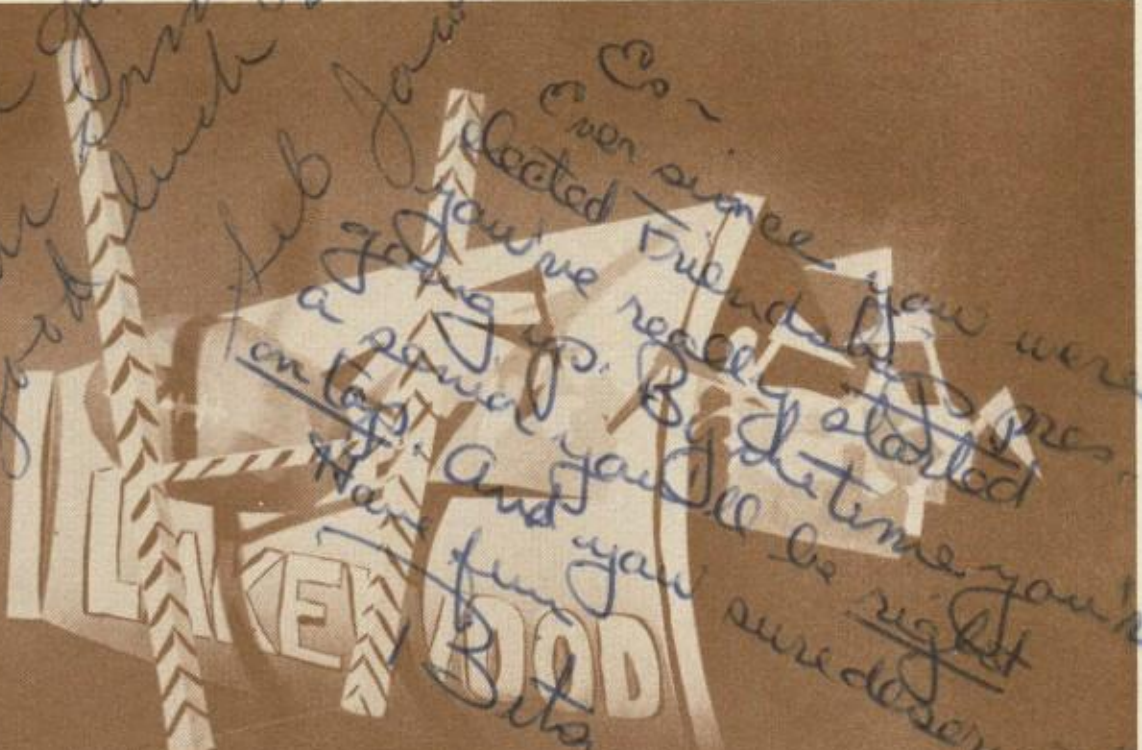

Dear Co,

Let's see now, we've known each other for a year and a half. I've signed your school picture at H.M. Know I'm signing your Cinema. I hope that I will always to sign your Cinema. For the most happy years of my life I owe to you. You have taught me to understand + consider the other person. I hope I will always do that and be willing to serve the other person. The words are coming — less fluent now I hope we will be this way ("good friends") for ever. The signing of your Cinema is one of the nicest things I have done all year. Hope I will be around next year to sign the Cinema. To one of the most gorgeous girls in S. H. S. I write this for you. I guess just a few lines from a blank mind. I don't have to wish you good luck for you have a personality that will carry you thru to be the top in everything.

I
Love (always)

Nice young
 on your own
 good luck
 a good job
 on top of it
 And you'll be
 fun you
 sure deserve it!

Esther,
 there's wishing you
 much luck in the
 future. Keep up the
 very good work
 you'll be really
 go places. Be good
 to John.

As ever,
 Ruthie
 Esther

Esther,
 lots of luck
 always and
 congratulations on
 being elected
 Esther

We sure have been good
 friends and will be forever.
 Just stay the way you are
 and you'll be a great
 person.

Esther,
 Well, you've
 already made a
 hit here at Hakewood
 & I know it will
 continue. But
 of everything to a
 great kid!
